For your first assignment in Digital Literacy 8 you will be put into groups of 3-4. Together you will be putting together a short presentation using Google Slides. You will have three different class time periods to work with your group to put together your presentations. You will be ready to present for **Tuesday, Sept. 25**.

These presentations will include text, pictures, and even a video to explain the company you have chosen. Presentations must be between **4-6 minutes**. All group members must speak.

*While creating and collaborating, all presentations must be **shared** with all group members as well as : [emaxwell@seycove.ca](mailto:emaxwell@seycove.ca)*
